Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's Representative proposed claim language to overcome the objection of claims 1, 4 and 29 and 35 USC rejection of claims 1, 4 and 29 (and all dependent upon claims). Examiner agreed that such language would overcome the previous objection and 35 USC 112 rejection of the above mentioned claims. Applicant's Representative further argued the 35 USC 112 rejection of claims 29 and 30 of which Examiner agreed to withdraw upon the receiving of an official response to the current office action including these arguments .
